

**Your green living one-stop-shop**  
**Serving both residential and commercial customers**

## **Consumer Products**

*What Green Pathways will help you do:*

- Assist in determining the items/components that meet your needs.*
- Identify candidate sources*
- Assist in obtaining credible quotations*
- Assist in evaluating the quotations and subsequent procurement*
- Post procurement support*

## **Other Green Consumer Products**

- Green Pathways will help you source green consumer products that do not form part of our regular offering - vehicles, clothing, whatever you might identify to us.*
- Green Pathways maintains a comprehensive knowledge base which we can search to help you locate what you are looking for*
- When the item and sources have been identified, Green Pathways can assist with its procurement*

**Your first step begins with a Green Pathways Energy Use Evaluation**
