

**Your green living one-stop-shop**  
**Serving both residential and commercial**  
**customers**

## ***The Pathways System***

***The Pathways system has been created to help you, the Customer, in your quest to combat climate change, conserve and be more efficient in your use of energy and other resources, be a green power generator if that is your desire and have a greener lifestyle overall.***

***Our aim is to demystify and make it easier for you to achieve your personal or business green living goals.***

## ***Green Power Generation***

*What Green Pathways can do for you:*

- Determine the viability of your site/location*
- Size your system*
- Introduce you to configuration options*
- Identify candidate suppliers and installers*
- Obtain credible quotations*
- Assess and evaluate the quotations*
- Post installation support*

***Your first step begins with a Green Pathways Energy Use Evaluation***
